

# 40 Years of ION CHEMISTRY

## Children's Activities Saturday, June 13, 2009

6:15 to 10:00 pm

### Gateway Park Barbeque

Gateway Park is a popular spot in Boulder. Your children or grandchildren will have a ball riding go karts, playing miniature golf, racing through the maze and testing their skill in the video arcade. But, first, dinner will be served under the big tent. Participants should gather in the lobby of the St. Julien Hotel at 6:15 pm. The bus will leave promptly.

Check it out at: <http://www.gatewayfunpark.com/GPboulder/thingstodo.htm>.

There will be four supervisors on this adventure. Limited to children of registered participants.

We recommend that each participant carry a small amount of money (\$5) for items they can purchase at the refreshment stand. A light jacket or sweater might be advisable since evenings in Boulder can get chilly. **Please have your child wear their name tag to this event. It is their meal ticket.**

### Childcare at the St. Julien Hotel, Calypso Room

Your children are invited to stay with our experienced staff in the Calypso Room. This room is close to the ballroom where the banquet will be held. It will be set up for young children and will have a TV and DVD for entertainment. You may sneak away from the banquet at any time to check on them. It is recommended that you bring equipment for napping. Bring your own snacks or beverages. Only water will be available to drink. Limited to children of registered participants.
